Login and Navigation

Login to the portal at - <https://catalogue.schwingstetterindia.com/>

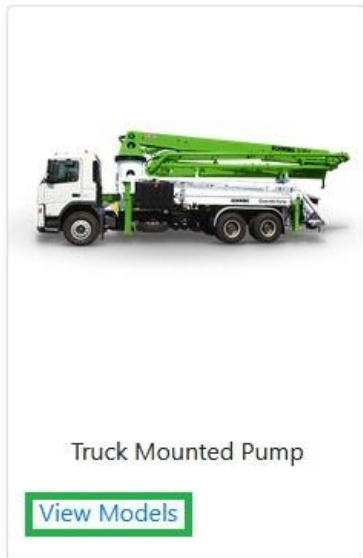

Provide the username and password and click on the **Login** button.

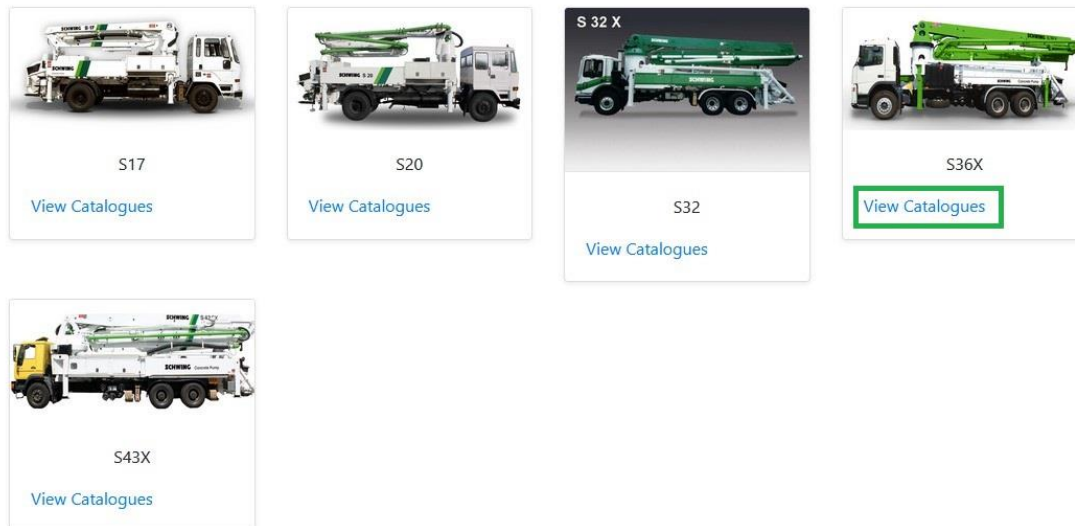

After successful login, the home page displays various families.

To browse the catalogues of a specific family, click the **‘View Models’** button as shown below.

The models belonging to the family gets displayed as shown below.

After clicking on **‘View Catalogues’**, the available catalogues under the selected model will appear on a page as shown below.

The list of available catalogues are shown below

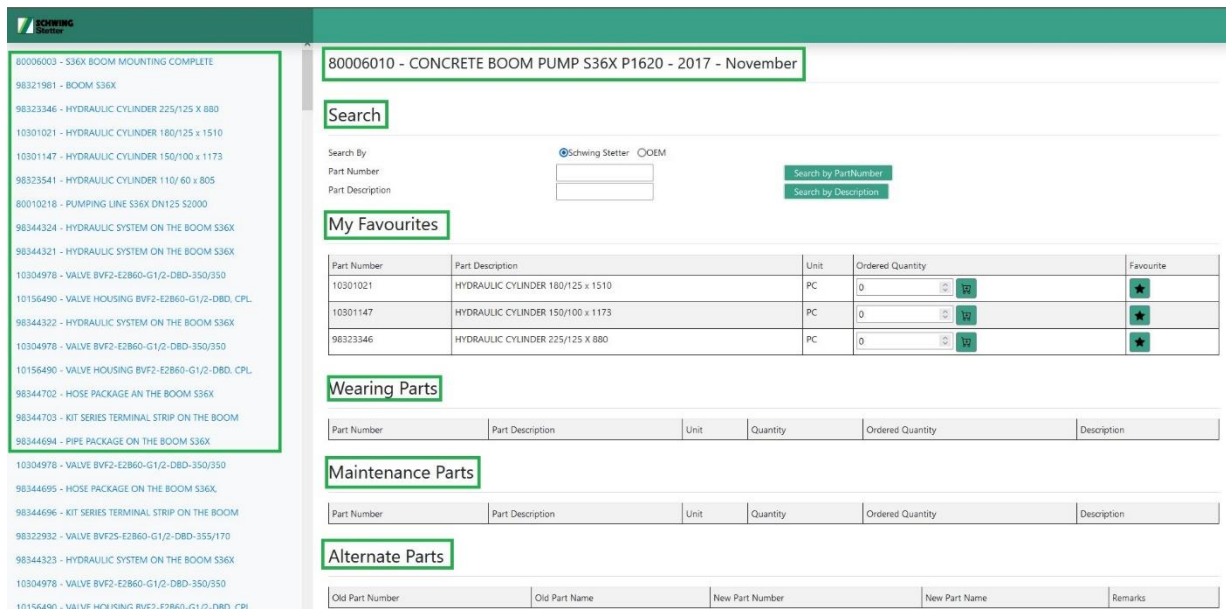

Number	Description	Year	Month	Start SL No	End SL No	Status	Reviewed
80006010	CONCRETE BOOM PUMP S36X P1620	2017	November			Completed	True
80009041	CONCRETE BOOMPUMP S36X ECONOMIC VERSION P1620 CONCRETE BOOMPUMP	2017	December			Completed	True

To open a specific catalogue, click on the link. The selected catalogue appears on the following page.

The home page of the catalogue appears with a two-column layout in the Desktop or Laptop View

1. Left - Navigation Pane
2. Right – Search and Information Pane

The navigation pane consists of a list of **Header Parts or Main Parts** and the right pane consists of the **Title, Search, Favourites, Wearing Parts, Maintenance Parts and Alternate Parts**.

The screenshot displays the Schwing Stetter catalogue interface. On the left is a navigation pane with a list of parts. The main content area on the right shows the selected catalogue: "80006010 - CONCRETE BOOM PUMP S36X P1620 - 2017 - November". Below the title is a search bar with options to search by Part Number or Description. There are also sections for "My Favourites", "Wearing Parts", "Maintenance Parts", and "Alternate Parts", each with a table of parts.

To explore the bill of materials or spare parts in a browser on the Desktop or Laptop device with a mouse, please hover over the item number labels on the image. A tooltip appears as shown below.

To add this part to the cart, **click or touch** on item 110, type a quantity and click on **the Cart icon** in the popup is shown below. The popup disappears after the part gets added to the Cart.

The quantity can be typed into the textbox or increased/decreased appropriately using the arrows. One or more parts from one or more catalogues can be added to the cart.

Clicking on **Home** takes the user to the home page of the catalogue.

The user can zoom in or out the drawing image using the **Zoom In** and **Zoom Out** icons available.

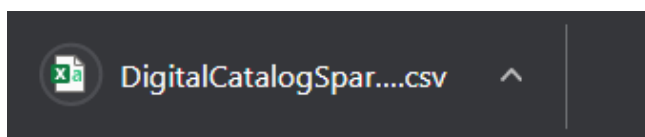

On click on the **View Cart** button, the **Cart Items** are shown as below.

View Cart

Number	Description	Catalog	Unit	Ord Qty
98323346	HYDRAULIC CYLINDER 225/125 X 880	CONCRETE BOOM PUMP S36X P1620	PC	1 

[Download](#)

On click of the **Download** button, the part list in the cart is downloaded in a **CSV file** by the browser into the browser's download location.

On click on the **Next** button

1. If the current part has multiple drawing sheets, then the next sheet is shown

- Otherwise, the next part's drawing sheet is shown as per the ordering of parts in the catalogue.

On click on the **Previous** button

- If the current part has multiple drawing sheets, then the previous sheet is shown
- Otherwise, the previous part's drawing sheet is shown as per the ordering of parts in the catalogue.

To have a better view of the drawing, you can click on the **Collapse** button to hide the left navigation pane and hit on **Zoom In** button.
